Rewrite the sentence below, adding a relative clause.

The draco lizard soared through the air.

Example: The draco lizard, which looked like a miniature dragon, soared through the air.

Did You Know?

The dragon-like draco lizard has unique adaptations that enable it to soar through the air like a frisbee. This clever escape strategy helps the cold-blooded reptile avoid predators or confrontations with much larger draco lizards that are unwilling to share trees.

Number Challenge

- 1 foot = 0.304 metres

If a draco lizard travelled 100 feet through the air, how far did it travel to the nearest metre?

Critical Thinking

If you were a dragon, how would you put your ability to fly and breathe out fire to good use?
