Rewrite the sentence below, adding a relative clause that starts with the pronoun 'which'.

The widowbird was determined to impress a mate.

Example: The widowbird, **which** had long tail feathers, was determined to impress a mate.

Did You Know?

After rain, Kenya's Masai Mara grasslands are transformed into lush green carpets. This new growth triggers incredible behaviour in animals like the male widow bird, which leaps high into the air to impress females. These jumps are not only displays of strength but also a rhythmic dance of survival, as the bird competes for attention in this vibrant grassland community.
